our side and provided us with a perfect Fall day.

We are happy to announce that because of your generosity, and the generosity of the other golfers, Mary Wade's sponsors, and volunteers, we raised \$66,222 for Mary Wade, a 16% NET increase from our previous tournament held in 2021. These funds will be used toward the future renovation and expansion of our Boardman Residential Care Home Building. As the oldest building on our campus, it represents our history and its renovation reflects our mission to serving our most vulnerable elders. We look forward to sharing our exciting plans with you in the near future.

Family Council

A friendly reminder to families that you may organize a Family Council, which is run by our families for your benefit and education. These meetings are intended to provide families of our Kimberly residents the opportunity to meet with key administrative staff members with the intent of addressing any general concerns you may have. At this time Mary Wade does not have an active Family Council. If you are interested in leading or participating in this endeavor, Mary Wade will make every effort to facilitate this. Please reach out to Lynn Iverson at GHinesIverson@marywade.org.

Fall Back - Daylight Savings

Mary Wade was delighted to provide hands on training outside of the classroom to third year nursing students from Eli Whitney Technical High School.
