### Bon Appetit

### Manicures

Residents of Mary Wade enjoyed a cooking demonstration by Hunter Merrill, Mary Wade's Director of Food Services. They were able to watch the step by step process in preparing delicious stuffed pepperoni

bread and then of course in taste testing it! Bon Appetit!

## Love From The United Way

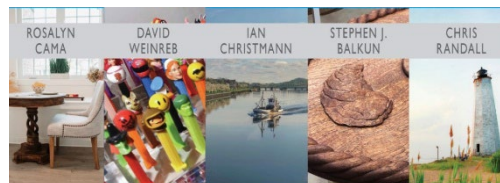

The United Way of Greater New Haven (UWGNH) is partnering with Mary Wade and Chatham Place at Mary Wade for the 3rd Annual "Letters of Kindness" Event on February 9th. Each resident will receive a personalized letter of support written by local volunteers. Feelings of isolation still linger from the ongoing pandemic which has motivated UWGNH to once again connect with our residents. This initiative supports Mary Wade's focus on bridging together communities of all ages and backgrounds. We look forward to feeling the love!

## Thank You Again

Clients of the ADC at Mary Wade enjoyed manicures from local students who attend Hillhouse High School as part of the school's Nail Technician Program. Mary Wade is happy to help these students fulfill their training hours so that they can move closer to their desired profession.
