Residents of Mary Wade took to the lanes and enjoyed table bowling. Did you know activities like this have multiple health benefits for older adults? Not only is this a fun game it also increases hand-eye coordination, builds social connections, and helps to maintain cognitive abilities and focus. Here's to the kid in all of us!

**Holiday Treat-Making**

Healthy Visits

Chatham Place at Mary Wade was thrilled to host the New Haven Police Department Activity League (NHPAL) for a day of holiday treat making! The NHPAL Team’s priority is to help children become better versions of themselves, to learn their goals, and to help them achieve them in a fun, exciting, and welcoming environment. What a magical day it was for the kids and adults alike.

"Cooking with kids is not just about ingredients, recipes, and cooking. It’s about harnessing imagination, empowerment, and creativity."
