Pet Policy

Do you know about the power of pets? They hold significant gifts that include lowering stress hormones, increasing positive mood-boosting hormones, and providing companionship, all of which can improve your overall well-being. That is why we always love when the residents of Mary Wade receive visits from a few furry friends. We do however, have a few requirements.

- All dogs must remain on a leash and stay with their owners at all times.
- All animal waste must be picked up in a doggy bag and properly disposed of in an outdoor receptacle.
- All animals must have current vaccines, including rabies vaccines, on file with our infection control nurse prior to first visit.

Family Fun Day is the kick off to Assisted Living Week where we will be holding other fabulous events at Mary Wade. All are welcome to take part in the festivities and share in the spirit of community and connection, all of which makes us so special. For details and to register visit our website [HERE](#).

Family Meetings

- Please keep in mind that some staff are afraid of dogs. If they ask you to remove the dog in order to provide care, please do so immediately. You can return to the room with the dog once care has been rendered.

Failure to comply may result in being asked to remove the animal from the property. For a more detailed look at our Dos and Don'ts of pet visits click [HERE](#).
